

Environmental Friendly:

"Do not leave anything except your foot-prints on the trail, and do not take anything except photos".

As you know Nepal is known particularly for its natural beauty and cultural heritage, the need to practice sustainable methods of travel is one of our organization's top priorities. We Allied adventure have many safeguards to assure all activities provide through our company are environmentally and ecological sensitive.

Due to our quality, safety record, friendly and economic service many of our clients have now become our friends and our best advertisement.

Trekking in Nepal:

The land of the Himalayas, Nepal is undoubtedly the most popular trekking destination in the world! It is home to the world's tallest mountain, Everest and proudly boasts numerous gigantic and beautiful Himalayan peaks. That combined with lush hills with abundance of flora and fauna is sure to make anyone's trekking experience an excellent one. Trekking in Himalayas is a marvel that is undeniably awe-inspiring!

"Trekking in Nepal"

About us:

Allied adventure team is a collaboration of dedicated and hardworking staffs and field members who deliberately put their efforts in promoting tourism in Nepal. Each of our team members are professional and experienced in tourism field since a long time. For more than a decade, we have been expanding our services by providing new and different destinations to our clients according to their time and desire.

We will take you safely even into the most remote parts of Nepal. We ensure that your trip will be one of the unforgettable memories of your lifetime.

We warmly welcome all of you to join us for memorable & adventurous trips in Nepal!

Nepal:

Nepal is a Himalayan landlocked country with China in the north and India in the rest side. The topographical variation starts from 70 m lowland to the world's highest peak Everest 8848 meter resulting from the sub tropical to Arctic climatic condition within the span of 200 km width.

"Trekking in Nepal"

Nepal is a paradise for adventurous seekers. We have many exciting and daring activities like

No doubt, Nepal
Once is not enough

Our services /Why Travel With Us:

Safety and Reliability:

With Allied adventure Team, you can make your journey safer, more pleasant and memorable. We have learned a fact that every tourist we deal is a different individual and is equally important. Because of our very long experienced and knowledge about the Himalayas, trekking, challenges, different customers from around the world etc, we will definitely provide you the best service.

Commitment:

Decade long experiences have taught us a lesson that tourists do hold very strong sense of time and value of money. Our clients have always found us committed to our service. That's why they always recommended their friends to travel with us.

Our main motto is giving a good service to our clients!

"Trekking in Nepal"

Varieties of Tours:

We offer different variety of treks, tours and adventure trips to suit both fresh and experienced travelers. Needless to say, we provide all possible options from budget to luxury tours.

Beside that we also have city and cultural day tours activities. We have 10 World Heritage sites ((UNESCO) in Nepal. They are as follows:

01. Kathmandu Basantapur Durbar Square
02. Bhaktapur Durbar Square
03. Patan Durbar Square
04. Pashupatinath Temple
05. Swoyambhunath (Monkey Temple).
06. BoudhaNath
07. Changu Narayan Temple
08. Lumbini (The Birth Place of Lord Buddha).
09. Chitwan National Park
10. Sagarmatha National Park.

Responsible Tourism:

We are focused to provide our clients with a great experience as well as having a positive impact on the areas that they travel in and to preserve the environment, culture and traditions of Nepal for many generations to come.

Allied adventure gives more priorities on discovering new trekking trails rather than the already popular trekking. Both trekkers and local locals benefit from us opening up new areas as trekkers get to discover a new path and exotic view, similarly the locals get a chance to uplift their living standards through tourism.
